*Thank you so much for the generous donations this past month. Also a big thanks to those who helped provide items for the Thanksgiving meals. There were so many words of gratitude!*

*We served about 12 families well this month. As you donate items this month, please remember to check expiration dates before you give. Also, we appreciate any and all donations, but our folks have come to depend on the regular items we stock, so if you can use the list here, that would be helpful. (Also, we need NO canned veggies now). Thank you for being a loving and giving church.*

#### **\*\*More Interesting Facts about Lottie Moon\*\***

1. Lottie led in the campaign to end the practice of bound feet. The Chinese believed small feet made a woman more beautiful, so girls' feet were bound tightly with cloth. Girls with bound feet could hardly walk. Infections, gangrene, and even death were common side effects of this practice.
2. In 1912 at the end of her career, famine, flood, and war encircled her China. Her friends were starving. In a final act of empathy, Lottie stopped eating and gave all her food away. When her friends realized the depth of her sickness, they put her on a boat to return to the United States. Lottie died on Christmas Eve while enroute to the U.S.
