*Grace Family,*

*Each month when we open Hope Closet, we are seeing new people come in need. We all know how expensive a little trip to the grocery store is these days. Imagine trying to figure out how to survive with little to no significant income, or just how to feed a family with current prices. **We have had some specific requests for items like bath soaps, shaving cream, laundry detergent, and facial tissue.** Also there is a need for gloves and jackets. **(New or lightly used)**. As always, any meat donations are so helpful as they are expensive and eat into our budget. They can be placed in the freezer in the Hope Closet. Thank you for your support in prayers and donations. You ARE making a difference - the Hope Closet*
