Grace Family,

We want to say thank you to those of you who faithfully support the ministry of the HOPE closet. Each month we find our numbers increasing. There were 24 families served the first Saturday in March. Also, there are some folks who come to the church needing food in between the times we are open. Please consider giving some of the items we have listed here which will help us buy more to have available. Thank you for helping us meet the needs of the "least of these" in our community. May God bless you. - the Hope Closet
