

## HOPE CLOSET UPDATE

Praise God we were able to serve and minister to 29 families for the month of June! Each person was personally prayed over and a scripture lesson was shared with the group. This ministry is about so much more than just giving out food. Yes it is great to meet that physical need, but these folks need love and hope and we pray they feel that monthly.

One personal story is of a little older lady Miss Mary, who has struggled to eat and can't maintain any weight. But she LOVES the muffins we provide for their refreshment. She personally thanked us for getting up early to make them! Also she giggled with glee and said "They actually remembered!" when I told her we had some delicious protein drinks for her to have. (These were too expensive for her to get) Another sweet young woman struggling in a bad relationship situation commented that "Every time I come and you pray over me- when I leave miracles happen. I am praying more now than I ever have and it is helping! Praise God He is always working! Please continue to pray for this ministry.

## Current Sermon Series

Knowing God is the most meaningful pursuit in life. As we pick back up in John's Gospel we see Jesus giving personal instruction and attention to the disciples as he prepares to go to the cross. The pursuit of knowing God is more than information. It is more than studying. It is your spirit abiding with His Spirit on an ongoing basis.

Sermons can be heard online by Tuesday of each week at [watch.gracemh.com](http://watch.gracemh.com)

*Thus says the Lord: "Let not the wise man boast in his wisdom, let not the mighty man boast in his might, let not the rich man boast in his riches, 24 but let him who boasts boast in this, that he understands and knows me, that I am the Lord who practices steadfast love, justice, and righteousness in the earth. For in these things I delight, declares the Lord." - Jeremiah 9 : 23-24*
